

Jerome L. Sanders

Executive Vice President and
Chief Operating Officer

Jerome L. Sanders serves as the Chief Operating Officer of BITHGROUP Technologies. He is responsible for managing the company's daily operations. Before he was a part of BITHGROUP team, Jerry spent twenty-five years in various corporate and consulting roles. He has held positions in engineering, marketing, sales, finance, and operations for DuPont, United Technologies, Siemens, Towers Perrin, Gemini Consulting and the Broadview Group. Most significantly he held domestic and international senior executive positions at United Technologies/Carrier, and Siemens Energy and Automation, Inc. Jerry earned his Masters of Business Administration from The Wharton School of The University of Pennsylvania and holds a BS in Mechanical Engineering from The University of Akron.

Jerry's scope of activities include implementing existing and new service offerings in both government and commercial markets, identifying organic business growth opportunities, and developing and maintaining strategic business partnerships. He also provides financial oversight to the company's staff augmentation service offering. Specifically the company seeks to augment personnel in the functional areas of administrative services, clerical, light industrial, information technology and professional capacities for commercial and government organizations.

In addition to managing the financial position and posture of BITHGROUP Technologies, Jerry also sits on the Board of Directors for BITHGROUP Technologies, Shoutstream Technologies, and The Broadview Group.
